

SureKill® Evolve SC

Product Numbers: 2437010 & 2438020

Product Description

SureKill Evolve SC is a suspension concentrate insecticide for use both indoors and outdoors for effective knockdown and long residual control of listed pests. Apply in and around buildings and structures, and on established landscape ornamentals around residential and commercial properties.

Purpose

SureKill Evolve SC may be applied in and around residential and non-residential buildings including residential kitchens and food/feed handling establishments: schools, factories, warehouses, hospitals, food processing facilities (non-food areas), and modes of transportation.

Please see this product's entire label and follow all use directions and use precautions. Use only for the sites, pests, and application methods described on the product label. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
